

Creating an “Infomercial” with PowerPoint 2010

Motivation

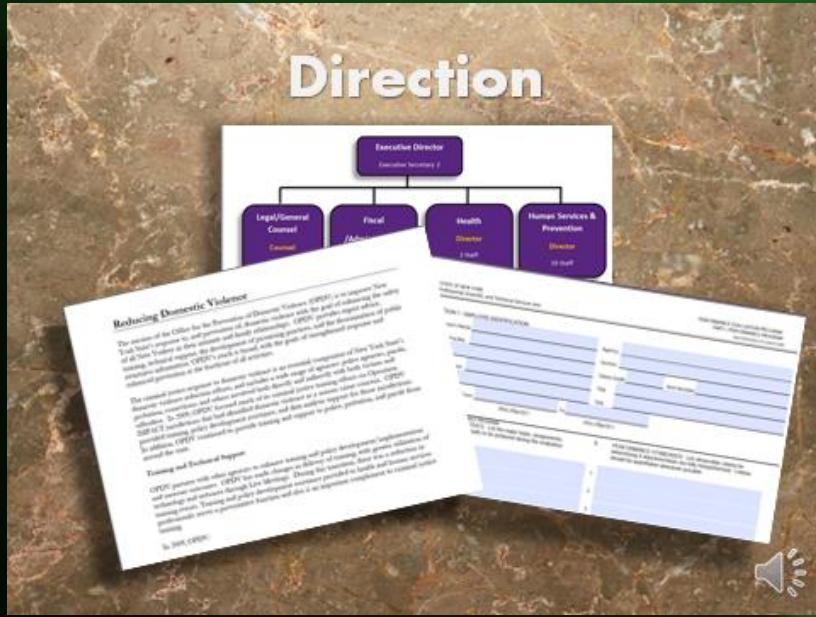

- Stand alone – engaging piece
- Quick hit
- Limited resources for development
- Explore use of technology
- Easy to use

Considerations

- Tool – PowerPoint 2010
 - Create a Video
- Distribution
- File size – format
- Accessibility

Nitty Gritty

- Branding
- Message
- Script
- Graphics
- PowerPoint finesse
- Narration

Review, Revise, Review

- Content – script
- Visuals
- Message – slides
- Narration

Showtime!
